**Choice C Approved 2/10/2019 by the Session:**

Some members of the congregation have expressed concern about the new direction for the music in the Upper Room Service each Sunday. As Designated Pastor, Dr Anderson had the authority to make this decision which he felt was in the interest of the church as a whole. After Dr Anderson made this change, the Session was informed and met and discussed with Dr Anderson. We came to the mutual decision to move forward as a unified body in order to continue God's work in our church and community. If you have any questions, Session members are available to discuss with you.
